## The Dimmer View

BY MAX GOODWIN

The young man who had his tongue hacked off in Tijuana last week by a "woman friend" (some friend!) has been under investigation as a possible suspect in the Tony Mirabile murder case. This arouses the question again as to whether or not there is a Mafia organization in San Diego.

Mirabile, Papa Tony, as he was affectionately called by those who admired him, had been questioned several times concerning the existence in California of a Mafia, or Black Hand, organization stemming from Sicily. Mirabile reportedly denied that such a group existed.

The slaying of Mirabile followed by the maiming of the 25-year-old Nevada gambler named Robert Womach, in a fashion usually reserved by the Mafia for those indulging in loose talk, certainly suggests the local existence of a Mafia-type organization here if the two crimes can be linked. Such a linkage, obviously, is yet to be accomplished, and Mafia connections have not been proved.

There is a point, however, and that is where there's Mafia smoke there could be some Black Hand membership.

The Mafia is an international crime syndicate which exercises stringent control over the rackets it administers to. Mafia retribution for defection is usually fast and fatal. Retaliation for loose talk is said to be the loss of the tongue.

Lawmen generally, pooh-pooh the suggestion that the Black Hand is operating on the west coast. They are prone to belittle any inquiry which suggests Mafia operations in California.

Mirabile was not connected with such a Sicilian organization for lawmen have not said that he was. Yet, the two events, which may be in no way connected, have all the ingredients of an intriguing yarn as you'd ever hope to see on a mid-night tveevee under-world drama.

Our emanation recently con- (Continued on Page 6)

## CofC Slates Newsman As Annual Dinner Speaker

A look back at Lemon Grove of yesteryear, and a picture of the challenges the community faces, will be the theme of Carlyle Reed's discussion when he provides the program for the annual dinner-meeting of the Lemon Grove chamber of commerce Monday at Michael's at 7:30 p.m.

Reed is representative of the publisher's office of the San Diego Union-Tribune and is a former area newspaperman. As former publisher of the La Mesa Scout and the El Cajon Valley News, Reed solicited advertising in the Lemon Grove area for his newspapers.

Although this was a comparatively few years ago "there were only two retail outlets in Lemon Grove to call on," Reed said.

At the meeting Bill Parker, Pacific Tel. and Tel. manager of the La Mesa office will be installed as chamber president. He succeeds Ernest Newton, local stationer.

Jim Spears, local Ford dealer will be installed as vice president, along with a corps of new board members.

New directors are: Mrs. Connie Carlton, health food shop operator; Jack Durham, insurance man; A. E. "Bob" Howell, insurance man and auditor; William B. Paul, manager, U.S. National bank; and George Scott, San Diego department store operator.

Holdover directors include: Marshall Adams, jewelry retailer; Kenneth A. Barwick, lawyer; Dee Brumley, shoe retailer and Dr. Robert Burns, veterinarian.

Also: Harry Burris, druggist; F. R. Faucher, postmaster; N. R. Flannery, tire retailer; L. W. Fritz, service station operator; E. M. Newton, stationary store operator; Bill Parker, telephone company branch manager; Bill Vandenberg, cleaner; and Jim Spears, auto dealer.

Bob Turnbull, a Lemon Grove youth dabbling in movies and tveevee in Hollywood will discuss his movieland experiences as a guest of honor of the chamber.

A social hour will precede the dinner program.

## Shop Center Contracts Due Friday

Building contracts for the \$14 million College Grove shopping center are expected to be awarded Friday of this week, according to a Walker-Scott department store spokesman. Walker-Scott will occupy 160,000 square feet in a three story building to be erected at the 70 acre center located at College avenue and highway 94 freeway.

Erection of buildings is expected to start soon after the building contracts are awarded. Plans include parking space for 5,000 cars. The shopping center is expected to open for business in the spring of 1960.

Leases for 36 business houses have already been signed with many more expected to be signed in the near future.

## Youngster, 10, Hit By Auto

A 10-year-old Lemon Grove youngster escaped major injuries New Year's Day when she was struck by an auto as she was crossing an intersection.

The youngster, Janice Johnston, 10, daughter of Mr. and Mrs. Victor C. Johnston of 2630 Bonita street, suffered second degree burns when she was struck and thrown into the engine of a hoodless auto driven by Edward Glade, 17, of 1746 La Corta, Lemon Grove.

According to California Highway Patrol records, she was pushing her bicycle across the intersection of Imperial street and Broadway when the accident occurred. She was taken to Balboa Naval hospital and given emergency treatment.

Glade was cited by the California Highway Patrol.

## Storm Fouls Power Service In Heartland

Damage to trees and television antennas were reported Tuesday morning as a rain and wind storm swept through Spring Valley, Lemon Grove and surrounding areas. Gusts, estimated at more than 50 miles an hour, with light, intermittent rains, caused the damage. Electricity was off for three hours in parts of the area.

The Lemon Grove Fire Department was kept busy with calls from persons reporting electrical wires down and television antennas knocked over. The Spring Valley Fire Department, too, reported several calls because of damage caused by the storm. Two roofs were blown off houses in Spring Valley. The fire department placed salvage covers over roofless houses at 1951 Avon lane and 3200 San Carlos drive after high winds sent the roofs flying.

In the east county damage was particularly heavy in the El Cajon area where the wind was reported to have reached 65 miles an hour. Damage was restricted mostly to avocado orchards and teevee antennas.

San Diego police and the sheriff's department estimated as many as 10,000 teevee antennas were blown down in the south county.

Grossmont hospital postponed approximately 12 operations in their surgery room when the storm caused a high power line fuse to "blow out" at 6:22 a.m. Tuesday. The hospital switched to emergency power immediately when regular power failed and used the reserve power until 9:50 a.m. when regular power was restored, according to Hugh McDade, chief engineer at the hospital.

The sheriff's office reported 16 calls had been made to them because of small damage caused by the storm.

Lloyd Wall, manager of the eastern district for the San Diego Gas and Electric Co., said his office had received more than 300 telephone calls about disrupted service.

Trees and television antennas falling across electricity lines, and lines whipping together in the squalls, were blamed for all of the complaints. He said all service would be restored the same day unless the storm returned.

## Teachers' Plan Play To Provide Scholarships

A comedy, "The Whole Town's Talking" will be staged February 26 and 27 by the Lemon Grove Teachers' Association to provide funds for the group's perpetual project funds for a state college scholarship. It will be held at the junior high school auditorium.

Keith Richards, 6th grade teacher at San Altos school and Rick Stammerjohn, 6th grade teacher at Monterey Heights, said the cast and the back stage crew would be made up of local teachers. Richards is in charge of production. Stammerjohn is handling the business end of the show. "We have 13 parts but plan to pad the cast to include a few more teachers," Richards said.

Stammerjohn said the teachers group had provided a scholarship in teachers' education at San Diego State for the past three years. This year, and in future years, he said, the association hoped to provide "two scholarships of more than \$100."

"The production will have a professional air," the pair said. "We plan to stage it with the smoothness of a Broadway play."

"You might say the play is

## Prizes Small At Drawing

Only merchandise prizes were won Friday at the jackpot drawing at the Lemon Grove plaza. Persons who were "winners" of money did not attend the drawing.

Mrs. S. E. Canfield of 7872 North avenue, would have won \$150, 10 percent of \$1,500 in the "pot."

Consolation prizes would have gone to: Mrs. Glenn Dull of 8243 Lincoln street; W. R. Walcott of 7336 Pearson street; Barbara Loomis of 3305 Fairway drive.

(Continued on Page 7)

## Teachers Vote Disapproval Of Salary Plan

The Grossmont Union high school district faculty has voted to recommend discontinuing the district's extended pay plan. Sixty-eight percent of the teachers, in voting against the plan, indicated preference for the return to a system of salary payment according to a contract schedule.

Extended day pay, extra payment to teachers for extra duties and responsibilities, is being tried out in the Grossmont district this year.

The faculty requested an early opportunity to vote on extended day pay at the close of a district-wide teachers' meeting held recently to hear district superintendent Lewis F. Smith discuss and clarify the plan.

Because plans for the 1959-60 school year are already in the making, the Grossmont District Teachers' Association executive council, which conducted the election, intends to present the recommendation to superintendent Smith and the board of trustees by February.

Larry Woodward, president of the executive council, said, "This vote indicates a desire by the Grossmont district faculty to assume full professional status in matters of obligation, assignment and salary."

## Death Car Driver Charged In Court

Gerald Marvin Fain, 21, of 7542 Davidson avenue, who wrecked his auto in Rolando Village December 21 while trying to elude police, was arraigned on a manslaughter charge Tuesday in municipal court. A preliminary hearing was set for January 29 by judge Harry Bowman.

A Lemon Grove youth, Donald Michie, 18, of 7256 Pearson street, a passenger in Fain's auto, was killed when the auto went out of control and struck a utility pole on Rolando boulevard, between Solita avenue and Serrano place.

The chase started when a La Mesa police patrolman tried to stop the youths' auto to warn them about a faulty tail light.

## More Railway Crossings To Speed L.G. Traffic

Two new railroad crossings will be built in Lemon Grove this year it was revealed this week by the county road department.

James Mulgrev, deputy county road superintendent, said Beryl street would be improved at the S.D. & Arizona Eastern Railway tracks by a 28-foot crossing flush with the rail level.

The California Public Utilities Commission issued an order dated December 30 permitting the improvement to be made. Mulgrev said the item would be set in the 1959-60 County road budget.

Previously, P.U.C. issued an order permitting the developers of San Altos Terrace to extend the southern end of Massachusetts street to Imperial avenue, with a crossing on the same railway tracks at grade.

This will provide two new crossovers south of Cypress street. They will be approximately a half mile apart.

In addition to providing easier cross-town traffic conditions it will be a boon to the Lemon Grove fire department in serving the south-west quadrant of the community, according to V. J. Dorman, fire district counsel.

Access to the area with some of the longer equipment has been restricted to certain streets to enable the rigs to make the turns, he said.

## Dances OK'd For Growler

SAN DIEGO (CNS)—An application for renewal of a Spring Valley public dance license submitted by Bruno Borst was approved last week by the county board of supervisors. Borst received a class "B" license which permits dancing three times weekly. He said the dances will be held Friday, Saturday and Sunday at the Growler Cafe, 9574 Campo highway. Approval of the application was recommended by the sheriff's department.

## Four Children In Golden-Kempff Collision

Five members of a Lemon Grove family luckily escaped serious injury Monday at 8 a.m. when a pick-up truck, driven by William D. Hobbs, 39, a plastering firm employee, collided with their diminutive auto at the intersection of Kempff and Golden.

Driver of the small car, a 1959 Morris, was Robert J. Long, 41, an insurance man who lives at 1701 Dayton drive. With him in the car, which was completely wrecked when it turned turtle, were his four children whom he was taking to St. John of the Cross school.

Most severely hurt was John, 9, who was taken to Grossmont hospital where he was released after one night. Anthony, 7, suffered a broken collar bone.

Theresa, 3, and Pat, 2, were uninjured. Hobbs, who lives at 3197 Crane street, was injured slightly and visited his personal physician.

Hobbs was cited by the California Highway Patrol for running a boulevard stop.

## 'High' Bid Low On El Prado Sewer Job

SAN DIEGO (CNS)—A low bid of \$10,976 for construction of sewer lines in the El Prado avenue area of Lemon Grove was opened at the Tuesday meeting of the county board of supervisors.

Engineers of the county department of public works had estimated the job would cost only \$8,133, but contractors in the audience at the supervisors' hearing pointed out the 1911 improvement act bonds for the project had to be sold at 80 percent of face value.

Low bidder was Ham Bros. Construction Co., and supervisors referred the four bids submitted to the department of public works for study. The highest bid was \$16,670, or twice the engineers' estimate.

"This is the second call for bids," Public Works director Jean L. Vincenz, told supervisors, "and it's quite obvious that three of those making bids didn't want the job."

Joe L. Rushing, of the Public Works department's engineering division, said the land where the sewer lines are to be laid is already heavily bonded, accounting for the low price the 1911 improvement act bonds for the project brings.

A recommendation on the bid to be accepted will be made to supervisors by the Public Works department Tuesday.

## 'Cast A Proud Shadow' Premier Set For Thursday At Art Center

BARROOM SCENE—Local actors appearing in "Cast A Proud Shadow" are shown in a scene from the western movie which will run for three nights, Thursday, Friday and Saturday of this week at the La Mesa Fine Arts Center, 8055 University avenue, La Mesa. The movie was filmed locally, much of it shot at the Growler,

Spring Valley dance hall. Shown in photo, left to right, are "Dutch" Borst of Spring Valley; "Gob" Glinkman, San Diego; Vivian Kincaid, Lemon Grove, and Les McIntosh, Lemon Grove. The scene, portraying the Last Chance Saloon, was filmed at the Growler.

San Diego county with interiors made at the studio in La Mesa and Spring Valley.

The workshop's first movie, "Ambush," will be screened as an added attraction with "Proud Shadow." "The Drunkard" was produced and screened at the same theatre last March.

Almost three thousand feet of film was used to shoot "Cast A Proud Shadow." To recapture this cost the workshop's tickets sales for five screenings with the premiere showing at 8:15, and two showings a night on January 9 and 10 at 7 and 9 p.m., will be \$1 for adults and 50 cents for

children 12 and under.

Featured in the cast are Gary Proffer, Rene La France as Charles Russell, Nick Radovitch, Bill Bennett and Dennis Humbarstad as "The Curry Gang." Others are: Bill Ford, "Dutch" Borst and "Doc" Fredericks of Spring Valley, Glen Churchill, Marie Crable, and E. J. Crosely of La Mesa.

Also Vivian Kincaid, Doris Bennett, Jaime Clark, Buzz Bruun, "Gob" Glinkman, Les McIntosh, Bill Allen, Cliff Hansen, Perc Griffen, Mario Reveles, Jean Scharf and Charles (Tex) Lawhorn.

## 'Safe Crack' Attempt Fails At Mt. Miguel

Three men were arrested Sunday by police in Linda Vista and charged with burglarizing public schools, including Mt. Miguel high school.

The men were booked at San Diego city jail as Philip Charles Mize, 42, a laborer who lives in Linda Vista; Elwood Raymond Romero, 22, a butcher who also lives in Linda Vista, and Frank Salazar, 29, a butcher who lives in National City.

Mt. Miguel high school principal Melvin Grant said the suspects unsuccessfully attempted to chisel a safe out of the wall Saturday night. The attempt was discovered by Bob Brady, ASB advisor, who came to the school to do some work Sunday.

Grant estimated the damage to the wall at \$100. He said that only occasionally does the safe contain as much as \$100.

He said the burglars took several school pins and rings, jimmied a soft drink machine and took the coins from it, took 5 typewriters, several ball point pens and a small supply of coins used as petty cash.

Grant said the suspects were "careless." "They left shoe prints, tire prints, finger prints, matches and cigarette butts all over the place," he said.

San Diego detectives said the arrest of the suspects would put an end to a series of "smash and grab" burglaries which had occurred over a wide area.

Much of the loot included canned goods and cheese, labeled for school use by the U. S. Department of Agriculture, indicating the men had concentrated on school cafeterias. Police say the string of burglaries may run as high as 25.

## Many New Classes In Adult School Offered Residents

Grossmont adult school opens its spring semester on Monday January 19, with several new classes offered in the Lemon Grove, Spring Valley area.

The school's day time center, VFW Hall, Imperial and Lincoln street, is open Monday through Friday. Evening classes are held at Mount Miguel high school.

A new beginning class in Spanish will be held at the high school on Tuesday, 7-9:30 p.m., room 42, open at the high school March 31.

A new gardening class will be offered throughout the district.

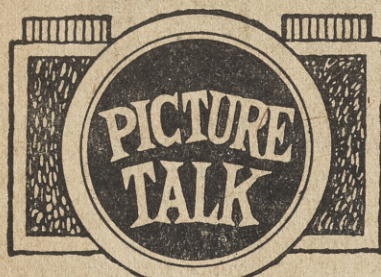

Schedules are available in giveaway boxes at post offices and libraries.

Additional information may be obtained by calling the Grossmont adult school, HO 6-4155, ext. 21, or Helix adult school office, HO 3-8717.

### 'SEEMS THERE WAS THIS TRAVELING SALESMAN ...

Well, the story we have in mind happened at our counter just the other afternoon. A young mother, the wife of a traveling salesman, said her husband was on the road so much he missed a lot of baby's cute tricks.

She wanted to catch some of baby's doings in pictures. Her problem: what kind of a camera should she buy?

Naturally she wanted a camera that was easy to use. Check, we said. It had to take pictures indoors. Check again. And in color, too. And of course the camera had to be really low-cost. Check and double-check.

What camera did we reach for? One of our favorites ... the Brownie Starflash. It's just a matter of aiming and shooting to get the clearest, sharpest pictures any father ever showed off.

And versatile? The Brownie Starflash not only takes snapshots in color and black-and-white but color slides, too. And it's so convenient for indoor picture-taking. The flashholder is built right into the camera.

She bought a Brownie Starflash, of course — a blue one because the baby was a boy! Cost of the camera in a complete outfit with film, flashbulbs, and batteries was only \$9.95.

## Underwriters Raise Auto Insurance Rates

California motorists are going to pay more for their insurance beginning this year although reductions are possible in some areas.

The average increase, statewide, is 7 percent.

The National Bureau of Casualty Underwriters and the National Automobile Underwriters Association announced the changes this week.

In San Diego county an increase of \$3 is scheduled for the average auto-owning family if no young male driver uses the car. For the policy covering \$5,000 of bodily injury for one person, \$10,000 for more, and up to \$5,000 property damage, the rate goes from \$39 to \$42.

For comparison, the rate in San Francisco county is \$97, up \$9; in Los Angeles metro, the rate is up \$7 to \$73.

The material damage premium

policy with full comprehensive and \$50 deductible collision provisions has been reduced, generally.

In San Diego county the rate decreased from \$92 to \$84. In Imperial county it increased from \$139 to \$147. In Los Angeles it dropped from \$104 to \$102 and in San Francisco county it dropped to \$105 from \$111.

Underwriters' groups point out that rates are based on accident loss costs induced by policy holders themselves. Cars owned and operated principally by young males are being assessed increases additionally, ranging from \$11 to \$28.

Underwriters say there are several reasons for the overall increase: 1. greater cost in settling claims incurred by policyholders; 2. higher jury awards; and 3. increases in repair and replacement costs.

All noncitizens, except those in diplomatic status, foreign representatives of certain international organizations and those admitted temporarily as agricultural laborers, are required to file the address report.

Parents of guardians must submit reports for alien children under 14 years of age.

Any alien who willfully violates the address report requirement, may be subjected to serious penalties.

In addition, aliens who are out of the United States during the entire month of January must report their address to the Service within 10 days after their return.

Address report cards will be available at the Immigration Service office at 325 West "F" street, San Diego, and at the Calexico port of entry. Report cards are also available at all United States post offices beginning January 1, 1959.

☆ Always keep partially used cartons or bottles of milk covered. Uncovered milk picks up flavors of other foods.

## Civil Defense Programs Get Under Way This Month

Many civil defense classes are scheduled to start this month under the direction of the San Diego County Civil Defense and Disaster Organization. Two classes are scheduled in "Emergency Survival," two in First Aid, one in light duty rescue and one in radiological metering. Walter L. Chandler, training officer, announced.

### \$4½ Million Crown To Be Shown At Fair

The "Crown of the Andes," one of the largest jeweled crowns in the world, studded with emeralds and reportedly valued at \$4.5 million will be shown in the gems and minerals exhibition at the 20th annual Southern California exposition and county fair in 1959.

Manager Paul T. Mann said the coveted crown will be shipped here from New York. It will tie in with the exposition's all-out display of Indian relics and artifacts. Set with 453 emeralds weighing a total of 1,500 carats, the crown contains the world's largest known collection of emeralds. One gem alone weighs 45 carats.

The crown's history begins in the 16th century in the Spanish territories which Pizarro had captured from the Incas of Peru.

A devastating epidemic, in its sweep across the west coast of South America, had spared the city of Popayan, high in the Andes. The people there attributed this miracle to their devotion to the Blessed Mother and vowed to make the most beautiful diadem in the world in thanksgiving.

Into this crown they poured the gold and emeralds captured from the Incas. Expert lapidaries were brought in from Spain to shape and polish the gems. It was completed after six years work by 24 goldsmiths.

On December 8, 1599, in the great cathedral at Popayan, the crown was placed on the statue of the Madonna whom they called our Lady of the Andes.

In 1909, the Vatican, by special dispensation, gave the trustees of the cathedral permission to sell the treasure to secure funds for hospitals and orphanages. It was purchased by American interests in 1936.

A light duty rescue class will be organized at 7 p.m. Tuesday at Lemon Grove Fire Dept. The class will meet Tuesdays and Thursdays for eight weeks.

Monday night at 7 p.m. a standard and advanced first aid course will start at the Gillespie Field training headquarters with Dr. Robert Austin as the instructor. The class will meet weekly.

A class in Emergency Survival will meet Tuesday noon in room 401, Civic Center and will meet weekly for five weeks. Byrant Kearney, assistant director, Civil Service, will teach the class, known as a "Brown Bag" class because county employees are encouraged to bring their lunches with them and listen to the lectures while they eat.

At 7 p.m. Tuesday, also, a class in radiological meter operating will start in room 76B at San Diego High School and will meet for five Tuesdays with Ray Jessop as instructor. Enrollees will be taught methods of metering fallout.

A standard first aid course will be offered at room 401 Civic Center each Thursday and Friday noon for five weeks, starting January 8. This will be another "Brown Bagger" type course, Chandler said.

The class will be taught by Orin Myers, assistant director, First Aid & Water Safety, for the American Red Cross. The class will be limited to 20 persons.

A second class in Emergency Survival will be offered starting at 7 p.m. January 13, at St. Martin's Hall, 7714 El Cajon Blvd., La Mesa. The class will meet for four Tuesdays under Jack Lindsey, a Civil Defense instructor. This is a basic civil defense course available to all citizens.

☆ Before driving your car early in the morning or at night, take time to clear moisture from the windshield, suggests the Automobile Club. Good visibility is essential to safe driving.

### Do-It-Yourself Local High Schools Set Night Classes On Income Tax Information

The Grossmont adult school is offering a 6 weeks class on income tax information.

Two classes will be operated again this year. A Monday night class will be held in room 35 at El Cajon Valley high school,

starting January 12. A Wednesday night class at Helix high school, starting January 14, will be held in room 20. These classes will meet once a week from 7 to 9:30.

This is the eighth year income tax classes have been held.

Forms, worksheets and materials are supplied by the federal government so that all avenues of report tax is covered.

### Mrs. Bambush Dies Following Operation

Mrs. Theresa Bambush, 42, of 7405 Pacific street, Lemon Grove, died Saturday at Sharp hospital where she had undergone surgery earlier.

She is survived by her husband Joe, three daughters, Judith, Theresa and Wanda; two sisters, Catherine Welsh and Ann McCarthy of Wilmington, Delaware, and a brother, Joseph Turek, also of Wilmington.

Rosary was said Wednesday at St. John of the Cross church in Lemon Grove and mass was held Thursday morning. Burial followed at Ft. Rosecrans National cemetery.

Funeral arrangements were handled by Conrad Mortuary.

### Seven Babies Reported Born In Local Area

Lemon Grove and Spring Valley increased their population figures slightly from December 24 to December 31 when seven babies were born at Grossmont hospital to families in those communities.

A seven pound, 8 1/2 ounce, boy was born December 24 to Mr. and Mrs. Michael Costa of 7870 Sanford drive, Lemon Grove. A seven pound, 3 1/2 ounce, girl was born December 26 to Mr. and Mrs. Kenneth Farris of 7204 Waite drive, Lemon Grove. Mr. and Mrs. J. C. Biffington of 2324 Main street, Lemon Grove, welcomed a six pound, two ounce, boy on December 27.

A Spring Valley family, the Joel Hastings of 2510 Bancroft drive, received a seven pound, 4 1/2 ounce girl on December 30. On the same day, Mr. and Mrs. Robert Ball, 2301 El Prado avenue, Lemon Grove, were blessed with a six pound, eight ounce, boy while Mr. and Mrs. Leslie Desmond of 1610 Glencoe drive, Lemon Grove, welcomed a seven pound, 8 1/2 ounce girl.

A six pound, 5 1/2 ounce, girl was added to the family of Mr. and Mrs. Harold Spahn, 8645 Tyler street, Spring Valley, on December 31.

No local births were reported at Paradise Valley hospital.

### 'About Our Zoo' Film, Talk Slated

"About Our Zoo" will be the subject for a film and talk about the San Diego Zoo Thursday of this week at 7:30 p.m. at the regular meeting of the Palm Avenue school PTA. Wallace B. Wade will show the film and talk on the zoo. Hostesses will be mothers of students in the second and third grades at the school.

The Palm Avenue PTA executive board met Tuesday.

### 7,500,000 Owners Liable

## California Auto License Tabs Go On Sale For '59

Auto registration renewal season is now open for California auto owners, to continue through February 4.

Department of Motor Vehicles offices, auto clubs and associations, and temporary traveling registration crews will handle all types of registration, including those that involve transfer of ownership, first California registration by nonresident motorists, and special cases requiring a "statement of facts" or other evidence of eligibility be filed.

Statement cards for 1959 have been mailed to most of the state's 7,500,000 owners. A few will be issued during the next two weeks. No part of the card should be detached — the entire statement must be presented with fees. The stubs will be returned to the applicant after they are stamped to serve as 1959 registration cards.

For every renewal there will be issued a silver white reflector.

### Art Association To Honor Members With Tea Sunday

The La Mesa Foothills art association will honor two of its members Sunday with a tea served from 1 to 5 p.m. in the Fine Arts Center, 8055 University avenue, La Mesa. Hostess will be Mrs. Catherine Waldruff with Mmes. Roland McNary, Betty S. Robinson, Martin Matson and Helen O'Halloran pouring tea.

Roland McNary will have a varied exhibit of oils, ranging from back-country and desert scenes to Canadian landscapes and still life. McNary is a well-known artist and instructor of the area, teaching under the adult education program. He helped to establish the San Diego Art Institute and has served as its president. He is now president of the La Mesa Foothills Art association.

Mrs. Leland (Bab) Hemming will show oil character studies and a few landscapes. Her pen drawings are colored with photographic oils.

The Fine Arts Center is open to the public each Saturday and Sunday, 1-5 p.m.

### Coffee Meet Planned By Hospital Women

Mrs. Von N. Marshall, president of Grossmont Hospital Women's Auxiliary, has announced further details of the general membership meeting to be held Friday at 9:30 a.m., in Lawton's restaurant, La Mesa. The meeting will start with a social coffee at a charge of fifty cents, followed by a business session with Mrs. Marshall presiding. At 11:15 Wayne Funk, M.D. will talk on "The Use of Hypnosis in Modern Medicine." Guests will be welcome.

### 'New Tongue' Is Lecture Subject

"Christian Science: The 'New Tongue' in the Space Age" will be the subject of a lecture to be broadcast over Station KPOP (1020 kc), Sunday afternoon, at 3 o'clock, from Thirtieth Church of Christ, Scientist, Los Angeles. The lecturer, Maud Cary Bennett, C. S., of Chicago, is a member of The Christian Science board of lecturership.

authorized sticker for the rear plate, to cover the expiring 1958 green sticker. A front plate must be kept in place on the vehicle.

Fees due include a standard annual registration fee of \$8 on all vehicles except station wagons whose owners, under a new law, pay \$9 annually. A vehicle license fee computed at two percent of the value of the vehicle is collected by the state for cities and counties as a fee "in lieu" of a local property tax, forbidden in state law. Weight fees due on commercial vehicles are also payable on registration. The in-lieu fee fund is distributed to cities and counties by the state controller from the Department of Motor Vehicles collections. The total fee for each vehicle is shown on the statement cards.

### Educational Television To Feature University Women Meet At College

"Channels of the Future," spotlighting educational television is the program planned for the La Mesa branch, American Association of University Women, January 14 meeting to be held at the campus laboratory school auditorium, San Diego State college at 7:45 p.m.

Dr. Donald Watson, dean of San Diego State college, a member of a national committee set up to study classroom television, will discuss what San Diego State college is doing and planning to do with television in the classroom. Dr. Watson will take the group on a guided tour of their television facilities via television and the use of television in the classroom will be demonstrated by classes in operation. Dr. Watson will also moderate a panel on "Educational Television at San Diego State College."

Other panel members will include: Dr. James Kinder, coordinator of audio-visual services; Kenneth Jones, Jr., and Frank Norwood, both working in the television field in the speech arts department.

Tea chairman will be Mrs. William E. Williamson, assisted by Mmes. Albert E. Yale, George Bazik, Jack Boldrick, G. Keith Dolan, Ivan L. Nolan, Robert A. Oakes and Mrs. Robert H. Wilken.

Mrs. Martin Ridge, chairman of

### Junior College Registration Period Opens

Registration for the spring semester at San Diego Junior college are now open and returning students will have registration priority until January 20, according to an announcement by Mrs. Margaret D. Olson, dean of students. The new semester begins February 4.

Day students may register from 8 a.m. to 5 p.m. and evening students from 4 to 8 p.m.

New students planning to attend the junior college for the first time during the spring semester will begin registration on January 21. Mrs. Olson urged new students to report to the student personnel office, 1425 Russ street, as soon as possible for information, counseling and checking of records.

She said new students who apply early will have the best selection of classes.

The junior college offers instruction and training in three major areas. They are: general education, including such typical courses as science, mathematics and English, business education, which offers training in such fields as accounting, shorthand, business machines, and typing; and technical education in which engineering and architectural drafting, electronics, and machine shop are typical courses.

Students may follow a two-year curriculum leading to an associate in arts degree or they may enroll in a vocational certificate program.

### Friday Is Deadline For Enrollment In State College Evening Program

Five of the 32 evening courses in business administration being offered this spring at San Diego State college are new or recently reintroduced into the campus evening program, according to Dr. Manfred H. Schrupp, dean of education and extended services.

Schrupp added that undergraduate students have until Friday of this week, when spring classes begin to apply for admission to the campus evening program. Graduates may apply through February 7, the day of registration.

New in the evening program are courses in law of real property, problems of marketing management and retailing principles. Courses in salesmanship and life insurance principles and practices have been reintroduced to the evening program this spring.

Additional evening business

courses include electronic data processing, time and motion study, industrial purchasing, and other basic and advanced courses in accounting, business education, management, and marketing. Five graduate seminars will also be offered.

A certificate program in industrial management is being offered for the third year, Schrupp said. The 30-unit program provides a core of basic management study with opportunity for students to select specialized courses in their own fields. Other special evening programs include preparation for the certified public accountants' examination and for the chartered life underwriters' examination.

Evening program bulletins and full information are available at the office of extended services, San Diego State college, San Diego 15.

## New Chief Named For S. C. Optimist Home For Boys

Armin P. Kroeger, deputy in the Los Angeles County Probation department, has assumed office as superintendent of Optimist Home for Boys, announces Lemon Grove Optimist club president Don Wenzel.

Owned and operated by nearly

200 Optimist and Opti-Mrs. clubs of Southern California, the home occupies a five acre tract at 6957 North Figueroa street, Los Angeles. It provides resident re-education for boys, 57 at a time, most of them wards of the juvenile court. Between 10 and 13 years old at time of admittance, they are selected on the basis of their need and qualification for the extensive program of counsel and recreation.

Kroeger succeeds Warren Lee Braly, also a former probation officer whose name has been linked with the home since 1940.

## Rister Low Bidder On School Insurance

Kenneth B. Rister, Farmers Insurance Group, Lemon Grove representative at 7559 Broadway, in Lemon Grove, was low bidder on comprehensive liability and automotive insurance for the Lemon Grove elementary school district. Rister's bid was \$4,139.93. John Dall and Jack Durham also bid. Bids were opened at a special board meeting. The meeting was set a week ahead of the regularly scheduled meeting to prevent a lapse of policies.

## Jim Matthews Back At College

Jim Matthews Jr., son of Mr. and Mrs. James Matthews of 7851 Mt. Vernon street, Saturday returned to Arcata, California, where he is a student at Humboldt college. He had been visiting his family here during the holidays.

Matthews is a delta sigma phi fraternity pledge at the college. He was graduated from Helix high school in 1957.

## Mt. Miguel Starts Evening Wrestling

Evening wrestling will be inaugurated at Mount Miguel high school Saturday of this week in the Mount Miguel gym at 7 p.m. when Mount Miguel will be matched against Point Loma high school.

Admission is 75 cents for adults, 25 cents for children and visiting Point Loma students, and Mount Miguel students with A.S.B. cards will be admitted free.

The continuation of evening wrestling will depend, to a large extent, on the number of tickets sold for Saturday night's match.

## Instructional Aids Demonstrations, Displays To Highlight PTA Meeting

Plans have been completed for a meeting of Mt. Helix Council PTA to be held at 7:30 p.m. Wednesday, January 14, at the Casa

de Oro school. The program of the evening will feature demonstrations and displays of instructional aids made by PTA members and used by the teachers as classroom aids. Participating in this project are PTA units from Bancroft, Lemon Avenue, Brier Patch, Northmont, La Mesa elementary, La Mesa Dale, Fletcher Hills, Monterey Heights and Golden Avenue.

The highlight of the evening's entertainment will be music furnished by a male quartet consisting of school administrators from the La Mesa, Spring Valley and Lemon Grove school districts. P.T.I. certificates will be presented to 13 persons who completed the fall course on parent-teacher information held at several schools.

The nominating committee for Mt. Helix Council PTA will also be named.

Hostesses will be members of Casa de Oro PTA, Spring Valley PTA and Bancroft PTA.

A special workshop meeting for all publicity and record book chairmen of Mt. Helix Council PTA will be held Thursday, January 15, at 9:30 a.m. at the Lemon Grove Youth Center. Chairmen from all units concerned with this particular phase of PTA work are urged to attend.

Information and assistance in compiling and completing record books will be presented along with special help on inside publicity.

This workshop is under the direction of Mrs. J. H. Jensen and Mrs. R. J. Collette, council chairman of inside and outside publicity, respectively.

## Church Wedding To Follow Civil Ceremony For Lemon Grove Couple

Elinor Fernald, a receptionist in Dr. Calvin Nicholl's office, and Mel Hammerstein, operator of the Broadway Market, said this week they will be married this year in a church ceremony at St. Joseph's Cathedral.

They were married in a civil ceremony December 18.

The couple plans to establish residence in Monterey Heights.

## Last Rites Held For H. O. Bowman

Funeral services were held Friday at Greenwood mortuary for Harry O. Bowman of 6682 San Miguel street, who died December 30 at a hospital.

Mr. Bowman had lived in San Diego county for 10 years and was a member of Lemon Grove Lodge No. 736 F&AM, San Miguel chapter No. 579, O.E.F. and the Price Hill Chapter No. 164, R.A.M. He retired as a police patrolman in Cincinnati, Ohio, and had worked at Rohr Aircraft in

## Claims Skip-Tracers Using Official-Like Form

The California Department of Employment has disclaimed a document which requests employment information and which is headed "State of California Unemployment Insurance Code Provides" and cites the misdemeanor penalty contained in the state unemployment insurance law for making false statements or misrepresentations in order to obtain unemployment benefits.

The tabulating card type of form also bears the heading "Bureau of Reclassification, Financial Building, Sacramento, California," and says: "Notice — It

has been reported to this office that you stated you were unemployed." The form requests detailed information about the recipient's current employment status, including the name, address, and business of the employer; and the present address, birth date, and social security number of the recipient.

The Sacramento Better Business Bureau said the form is a skip tracing device supplied to California collection agencies by a Los Angeles concern.

The Department of Employment said there is no "Bureau of Reclassification" in the Department of Employment. The law is that Department of Employment records are confidential and may be used only for the purpose of administering the unemployment insurance law.

"If a person receives an inquiry through the mail which appears to him to pertain to programs administered by the Department of Employment but which he questions, he should contact the department itself," officials said.

## EARN THE LARGEST, SAFEST

# 4%

Computed monthly and Paid Four Times a Year!

## PAID ON INSURED SAVINGS

• **LARGEST** ... At Southland, you, the saver are given every advantage! Due to Southland's method of computing interest, Southland savers actually earn MORE than \$4.00 interest per year on every hundred dollars of savings! No other insured financial institution in San Diego County pays more than Southland!

• **SAFEST** ... in addition to \$10,000 insurance by a permanent agency of the United States Government, your account also has the protection of Southland's capital-stock-and-surplus structure!

Benjamin Franklin, who founded the principle of American Finance, said:

"IT'S NOT WHAT YOU EARN—BUT WHAT YOU SAVE, IT'S NOT WHAT YOU HAVE—BUT WHAT YOU OWE AGAINST IT THAT DETERMINES YOUR FINANCIAL STRENGTH"

## Episcopal Church Sets Annual Meet

The vicar of St. Philip's Episcopal church, the Rev. J. Phillip Bartlett, has announced the annual parish dinner and election of the bishop's committee will be held Friday of this week at 6:30 p.m.

St. Philip's congregation will outline the current year program and hear reports from the various departments on last year's accomplishments.

The very Rev. T. Raymond Jones, dean of the San Diego convocation, will be a guest at the meeting.

Delegates will be elected to attend the 64th annual convention of Episcopal diocese of Los Angeles to be held in Los Angeles January 20 and 21.

by Dorothy Jonson

This is a good month to plant bare root roses and, if you are planning to do so, I suggest that you send 3 cents postage to cover mailing and I will send you my especially prepared bulletin on how to plant and to take care of them.

It's too early to prune your roses. No matter what you see other people doing, adhere to the practice now being followed by all good rosarians: wait until the danger of frost is past. Wait until the swelling of the buds becomes visible.

Incidentally, January is the time to plant rhubarb and asparagus if you happen to belong to the large group of people who enjoy growing these delicacies in their garden. You can also plant many of the more common vegetables such as carrots, lettuce and cabbages. Be sure to prepare the soil well, digging in plenty of humus and a little soil sulphur before planting.

☆ Milk should be kept out of strong light to save riboflavin, one of milk's important vitamins. For this reason, a covered pan should be used when milk is heated.

## The Dimmer VIEW

(Continued)

cerning gangsters running up huge income tax bills, then settling with Uncle Sugar for a small portion of the obligation brought forth spirited comment from some of our readers.

One reader, an attorney, took the trouble to point out that the loss is far greater than the financial write-off suffered by the tax bureau.

Revulsion, he said, comes to conscientious tax payers when they learn that "deals" are possible. Such "deals" he suggests, draws many borderline taxpayers across the line to dishonesty. This also chips away across the morale of the nation's taxpayers and respect for the "dealing" agency is reduced.

It is interesting to note that the slain man, Tony Mirabile, settled a tax obligation in May 1955 which the government said was \$312,364. He settled for \$17,091, according to our report.

My wife, who normally bursts into the house with the gusto and vim of a pint-size hurricane, changed her home-coming pace one day last week.

She slithered (for want of a more accurate word) into the living room smelling of herbs and other exotic fragrances. What's more, her face glowed and she possessed a dreamy look that most women get when they eat a double chocolate sundae, or discuss buying a fur coat.

She had been to a press preview of a fabulous new establishment near Escondido where milady's well-being, her figure, and her complexion, are put back into utilitarian condition.

The place is Anatole Robbins' Golden Door, which the owner says is dedicated to the perpetuation of a woman's loveliness.

I suppose there is no exact name for this type of operation but I have the uneasy feeling that a generation ago, with considerable less personalized attention and fewer exotic niceties, they were referred to as "beauty parlors."

This is probably a precursor of scores of similar establishments for they seem to be designed to meet the needs of those who can carry the economic freight there and back.

The press-connected ladies were run through a compressed program which lasted most of one day. There were massages (with herbs, yet), exotically aromatic vapor baths, and a swimming pool which faithfully reproduces the frothy buoyancy of the inside of a champagne glass.

Lush rooms, 14 in all, were available, each decorated authentically in a different motif so the guest could choose the period which suited her mood best. There was also a relaxing, easy-going program of callisthenics, and certainly not the least important, samples and demonstrations of Countess Isserlyn cosmetics, said to be the most expensive in all the world. These are a product of Antole Robbins.

Each visitor was personally attended by a member of the staff. Just enough food was supplied at various times to keep appetites interested all day.

A drink, golden in color to match the overall motif, called the Golden Door Cocktail, was given everyone and the gals were sent back home for hard-working husbands to smell and admire.

The one-day tour, most readers and all husbands should be informed, is a small sample of what can be accomplished if a week is devoted to the treatment and care of the distaff side.

And if you say it real fast, it doesn't sound so expensive, but to date I haven't heard anyone say \$375.00 a week quite that fast.

Reaction came quick and strong on another project we publicized last week.

More than a hundred persons signed a petition we published asking the governor and the state legislature to create laws making a 30-year sentence (without hope of parole) mandatory for dope peddlers convicted of selling addictive drugs.

The project is one sponsored by the BPOELs. If anyone felt the public is apathetic about the dangers of dope, especially among teen-agers, let this reaction be used as a symbol of what's ahead.

Those who took time to sign the petition are to be commended . . . as are BPOELs who started the project.

☆ The Automobile Club of Southern California points out that we don't have to be traffic officers, or even members of a special organization, to do our part in preventing traffic accidents. One thing everyone can do is to set a good example of careful obedience to traffic laws whenever and wherever we drive.

## Who's Meeting ---And Where

Lions Club: each Thursday evening at Michael's.

Kiwanis Club: each Wednesday Noon at Michael's.

Country Cousins: Square dance every Saturday night at the La Mesa Junior High School.

Lemon Grove Rainbow Girls. First and third Thursdays at Education Building, Encanto Methodist Church, 6540 Brooklyn St. 7 p.m.

☆ Should milk be omitted in your diet? Researchers have found that milk's high food values make it essential in a reducing diet. Milk gives more for the calories involved than any other food.

## Dairy Queen, Soft Ice Cream Store, Opens In LG

Soft ice cream fans will have their day come Saturday when the Lemon Grove Dairy Queen opens formally at 7981 Broadway, near Kempf street.

Dairy Queen is a nationwide organization but the local store is the first in San Diego county, according to Charles Buckles, Jr. and Robert Pinnegar, partners in the venture.

The store was built by Ted Mangano who is in the process of developing the block he owns bounded by Kempf, Broadway, Golden and Grove streets.

Soft ice cream in five cent to thirty cent sizes will be manufactured and sold on the premises. Hard pack in pints and quarts will also be available.

The firm's famous "Dilly Bar" and "DQ" sandwiches will also be featured. A gimmick which attracts the youngsters is a free order when the Dilly Bar stick

## Local Water District To Sell Twenty Acres

The Helix Irrigation district's board of directors Tuesday announced a 20-acre parcel of land adjoining Jamacha road in Spring Valley is available for sale on a bid basis.

The directors set a minimum price of \$5,000 an acre for the parcel. Bids will be considered during the next 90 days.

so indicates.

A banana split in a plastic dish, all of which may be taken away, is another feature.

The partners said the store will be open from 10 a.m. to 11 p.m. and will employ 12 persons. Mrs. Pete McGuire, assistant manager, and Laura Gaffney, both local residents, are already employed.

The partners said the Lemon Grove store would be headquarters for other Dairy Queens which they will operate. "We plan to open a new one every 90 days," Buckles said.

Buckles retired from the navy as an officer in June. Pinnegar is in the real estate business.

## Supervisors Spurn Appeal On Golden Avenue Nursing Home

SAN DIEGO (CNS)—After a protest from 36 Lemon Grove residents, the county board of supervisors last week denied an application for a permit for a nursing home on Golden Avenue, near Adams.

Those opposing the application of Paul L. Jones described the area as "one of the best neigh-

borhoods in Lemon Grove." The protests were on petitions presented to the board. In addition, personal pleas at the supervisors' session were made by Harold Swanberg, H. O. Holmquist, Ivan L. Lauritzen and Robert Zastoupil.

Jones, who was appealing the county planning commission's refusal to give him a permit, said the denial had been based on incorrect information. He said the commission had been told the area was for one-family residents but that it was actually zoned for duplexes.

Jones also declared that more neighbors favored his project than were against it.

The supervisors' vote to uphold the planning commission was unanimous.

## Road Finances Up In 1958, Record Show

State controller Robert C. Kirkwood announced today that street and road expenditures by California cities and counties amounted to \$289,856,360 during fiscal year 1957-58—an increase of 21.56 percent over the previous year.

The controller's eleventh annual report of financial transactions concerning streets and roads of cities and counties of California, now available for distribution, reveals that a total of \$173,976,222, or 26.63 percent more than the previous year, was made available to California cities for street purposes during the fiscal year ended June 30, 1958. The increase in dollars was approximately \$36,500,000, of which some \$23,000,000 originated from city sources, approximately \$1,000,000 from gas tax apportionments and the balance from other governmental agencies.

During the fiscal year covered

by the report a total of \$129,518,493 was made available to California's 58 counties for road purposes. This amount was 9.2 percent greater than the corresponding figure for the preceding fiscal year. Of this increase local sources contributed approximately 16 percent and the balance came from gas tax monies and other state and federal sources.

Expenditures by cities for street purposes during the year amounted to \$167,818,714, or 29.3 percent more than in 1956-57. Counties expended \$122,037,647 for road purposes during the 1957-58 fiscal year or 12.3 percent more in the previous year.

County roads maintained during the year totaled 68,581 miles.

## Lake Murray To Be Opened For Fishing

Lake Murray, near Fletcher Hills, owned by the Helix Irrigation district, will be opened for trout fishing January 21. The Helix board of directors Tuesday decided to open the trout fishing program after hearing results of a recent experimental trout planting at the lake.

Regulations for trout fishing will set a seven trout limit and a fishing permit charge of \$1 per day for persons 12 years of age or older. Children from 8 to 11 years old may obtain daily permits for 50 cents.

Forty boats are available from the district's fishing concession and may be rented for \$2 per day or \$1.50 for afternoons only. Private boats with a capacity of no more than five persons may also be used on the lake. They will be subject to inspection for safety and capacity, and will be charged the same fee as rental boats. Outboard motors of 7½ horsepower or less will also be permitted.

By opening day, the lake will have been stocked with 3,400 pounds of rainbow trout weighing from ½ pound to 1¼ pounds. Regular plantings will be continued to replace fish removed.

★ "If a person desires to be a humorist it is necessary that the people around him shall be at least as wise as he is, otherwise his humor will not be comprehended." —James Stephens

## Disabled Veterans, Veterans Widows Reminded To Report 1958 Income

Approximately 68,000 disabled veterans and widows of veterans in California who receive monthly pension payments are being reminded by the Veterans Administration to report their annual income promptly and avoid the risk of having their payments stopped.

Edward C. Bryant, manager of the VA office in San Diego, said the VA is now mailing to all pension recipients a tabulating card upon which the income report may be made. Pensions cease if the income of a single individual exceeds \$1,400, or \$2,700 of the re-

cipient has dependents. Regulations require payment to be stopped if the income report is not received within 30 days.

He warned that the tabulating card will be processed mechanically when it is returned and that cutting, folding or otherwise mutilating it will delay the recording of the information and risk a cut-off in payments.

No income questionnaire is sent to veterans or dependents receiving service connected compensation.

## Scout News

Brownie Troop 280 enjoyed a skating party to Palisades Gardens December 29. The leaders, Mrs. Doris Mullane and Mrs. Marion Morgan, treated the girls to cocoa and Christmas goodies on their return.

Girls attending were Melissa Frates, Diane Kraft, Linda Morgan, Gayanne Myers, Maureen Mullane, Nanette St. Romaine, Donna Burke, JoAnn Braudaway, and Jean Grubb.

Troop 280 will celebrate its first birthday with a party on January 28. All mothers are invited to attend this special event.

### CAMP FIRE GIRLS

New officers of Ka-Ki-Ya will assume office at a leaders' meeting Thursday of this week at 9:30 a.m. at Nan Couts Girls Cottage in La Mesa. The group will hold their meeting with the El Cajon district.

New officers are: Mrs. Robert Simpson, district leader chairman; Mrs. Calvin Williams, vice chairman, and Mrs. William Ludwig, secretary.

Guests and speakers will be: Mrs. Ruth Maddafer, executive director of San Diego County Council of Camp Fire Girls; Edwin Meise, chairman of the 1959 peanut sale campaign, and James Killian, Camp Fire coordinator for Circus Peanuts Co.

About 75 persons are expected at the meeting. Child care will be provided.

## SD Welfare Dept. Executive To Talk At Woman's Club

Mrs. Jane Carnegie, personnel director for the San Diego County Welfare Department, will address members of the Lemon Grove Woman's Club at 1:30 p.m. on Friday of this week. Her subject will be "A Helping Hand."

She will also explain how taxes are spent within the department. Chairman for the meeting is Mrs. George Kraft. Hostesses are Mmes. Wellington Stewart, Charles N. Simmons and Joe McMurrough.

The Woman's Club is completing a room at the clubhouse which will be dedicated this month in honor of the late Mrs. Annie Sonka who was a member of the club. Her husband, Anthony Sonka, financed half of the room.

The Sonka family will be guests at the dedication ceremonies which will feature a potluck dinner. Members of the club and their husbands are invited for the ceremonies and dinner.

The room, to be called Sonka Hall, is decorated in harmonizing colors and has bright tile floors and draperies. A bronze plaque will hang in the room to commemorate Mrs. Sonka.

Mrs. Randolph Morse has donated a large mirror for the room but lamps, chairs and a coffee pot are still needed.

## Yardage Shop Changes Ownership

Mr. and Mrs. Robert C. Moore, of La Mesa, last week purchased the ten-year-old firm of Cressy's Yardage. The store is located at 7816 Broadway and was started by Mr. and Mrs. Freeborn Cressy.

The firm will be operated by Mrs. Moore who has had several years experience in the yardage field. Mr. Moore, a purchasing agent with the Wilpac Mfg. Co., in El Cajon, will continue with that firm.

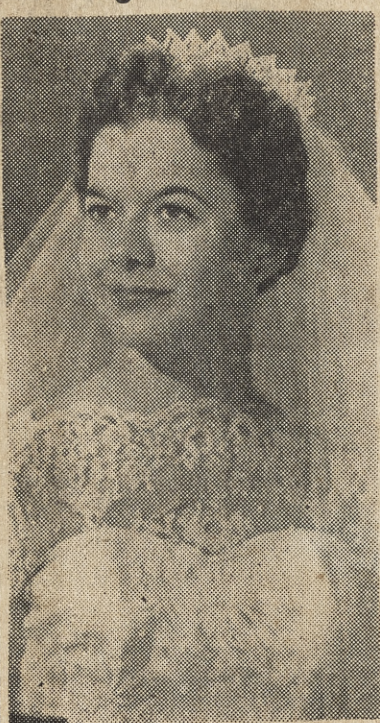

Mr. and Mrs. Cressy said they would take a long rest interspersed with a few short trips. Mr. Cressy said he would enter business again after the extended vacation. He also said he would devote considerable time to presiding at the Lemon Grove Kiwanis Club. He was installed as president of the Club last week.

The Cressys live at 7687 Madison in Lemon Grove.

Mrs. Moore said that there would be no change in personnel at the store. A long range program of redecorating and rearranging of merchandise will be started this spring, she said.

The immediate change is the name. The store will now be known as Lemon Grove Yardage.

### Exchange Vows

A former Lemon Grove youth claimed a La Mesa girl in marriage Saturday when LeRoy L. Kerl and Mary Carolyn Milner exchanged vows at the First Methodist church of La Mesa. The former Miss Milner is the daughter of Mr. and Mrs. Carl E. Milner of 4315 Maple avenue, La Mesa. Mr. Kerl's parents, Mr. and Mrs. Leo R. Kerl, live at 8545 Thunderbird lane, La Mesa. The bride was graduated from Helix high school and attended San Diego state. Mr. Kerl attended school in Lemon Grove, was graduated from Helix and is now serving with the navy at Miramar. The couple will be at home in San Diego after January 15.

## Former HID Manager To Leave Sacramento

M. J. Shelton, former Helix Irrigation District manager and retiring deputy director of the State Department of Water Resources since formation of that department in 1956, announced this week that he and Mrs. Shelton are leaving Sacramento to return to their home in La Mesa. The announcement came at a luncheon given by personnel of the water department in Sacramento, when he was commended for his part in establishing the department and the state water program. The Sheltons live at 8710 Hayes street.

Shelton, who will be succeeded as deputy director by Ralph Brody, Sacramento attorney named to that post by governor-elect Edmund G. (Pat) Brown, said his plans are not definite for the future, but indicated he is considering returning to private engineering practice.

Before being appointed to assist Harvey O. Banks, director, in the organization of the water department in 1956, Shelton had served for 10½ years as general manager and chief engineer of the Helix Irrigation District. He was a member and secretary of the board of directors of the San Diego County Water Authority and chairman of the engineering committee of that organization. He headed the first "save our water" committee in San Diego county in 1951 when a conservation drive became necessary to avoid a serious water crisis.

In the state water department, Shelton supervised setting up the organizational pattern under which the department operates, was responsible for direction of engineering studies and investigations, and represented the department on the state water pollution control board, the district securities commission and the advisory council of the State Soil Conservation Commission.

## Business Outlook Good For 1959, Says Manufacturers' Prexy

Stanley C. Hope, president of the National Association of Manufacturers, said today in a year-end statement that he is a "restrained optimist" about business in 1959.

The coming year, he believes, will be materially better than 1958, and recovery will continue in most parts of the economic system at a reasonable and encouraging rate.

Mr. Hope's statement: "The economy hit the bottom of the 1957-58 downturn last April. Since then, business has improved steadily if not at a sensational rate."

"The forces making for a high level of business activity remain powerful: Our rapidly-growing population portends a strong demand for goods and services; The gross national product is at a new high and will continue to advance; Industrial production will continue to increase, and before long will reach a new high level;

"Business investment in plant and equipment also will rise, at least slightly, in 1959;

"Total personal income, now at all-time high, should continue to set new records."

"In spite of all these favorable factors, excessive government spending and the continuing wage-price spiral may heighten inflation to dangerous levels. Then too, I hope that any new legislation, either in the tax or labor field, will prove to be helpful and not harmful to our economic progress."

"If we deal with our economic problems realistically and courageously, I am sure that 1959 will again see us in high gear."

## 'Corn Cobbers' To Perform For PTA

The "Corn Cobbers," a group of local persons who sing and dance, will present a stage show Thursday of this week at 7:30 p.m. in the Lemon Grove junior high school for members of the Golden Avenue school PTA. The show will feature the theme, "There'll Be A Hot Time In The Old Town Tonight."

The "Corn Cobbers" include: Mr. and Mrs. Jack Durham, Mr. and Mrs. Oran Collins, Mr. and Mrs. Art Blomendale, Mr. and Mrs. Eugene Norman, Mrs. Dave Fasse, Mr. and Mrs. Vance Seal and Wyman Rider.

The Golden Avenue PTA executive home of Mrs. J. F. Holloway met Tuesday night in

## Freeman To Speak At Men's Club Program Here

The Lemon Grove Men's Club will start its 1959 season of regular Friday noon meetings this week under a new presiding officer.

The new president is Captain Jesse E. Lee, (USN Ret.) who has been associated for the past year with the Lemon Grove chamber of commerce. He replaces Bill Parker who served all of last year.

Lee said the first program would be provided by veteran newspaperman Larry Freeman, manager of the El Cajon office of the San Diego Union-Tribune.

Freeman's talk will be on newspaper experiences.

The club meets at Michael's. All men are invited to attend.

to discuss final plans for the regular meeting Thursday.

Pastor Walter E. Smith of the First Congregational church in Lemon Grove will address the fathers of the PTA group during the regular meeting.

## Lemon Grove Student To Appear In Opera At San Diego State

A Lemon Grove student at San Diego State college will appear in a college opera workshop production of "Slow Dusk" and "Pagliacci" January 13, 14, 16, and 17, at 8:15 p.m. in the music auditorium.

Ronald L. Svalstad, 7536 San Miguel, a junior pre-law major, will sing the role of Silvio in "Pagliacci," 19th century Italian classic. He is the son of Mr. and Mrs. P. R. Svalstad of Lemon Grove and a graduate of Helix high school.

"Slow Dusk" is a contemporary American opera, set in the Carolina hill country.

The production is under the direction of Cleve K. Genzlinger, assistant professor of music. Tickets are available at the music department office.

★ Before you answer any ad for self-employment, contact your Better Business bureau, Spreckels building, San Diego, for information on earning-money-at-home schemes. The 16-page fact booklet is available for 15 cents to cover cost of printing and mailing. It may save you hundreds of dollars.

Think about this...

It pays to  
**SAVE**  
where you  
**BANK!**

When you save where you bank, you are creating a valuable banking connection. This means you are improving your credit and expanding your loan privileges.

When you save at First National Bank, you enjoy the advantages of one-stop banking. This includes loans, checking accounts, safe deposit boxes, trust accounts, escrows—actually over 50! valuable services.

When you save at First National Bank, you enjoy maximum safety, maximum bank interest and the knowledge that your money is always available.

It's wiser to save where you bank. Join the thousands who proudly say, "The First National Bank—That's my bank!"

"That's My Bank!"

**R. A. Stillwell  
Dies At 69**

Ralph A. Stillwell, 69, a retired electrician's helper who lived at 3595 Olive street in Lemon Grove, died January 1 at San Diego county hospital.

He lived in San Diego county 30 years and worked at Naval Air Station, North Island. Services were held Monday at Lewis mortuary under the auspices of Silvergate Lodge F&AM of which he was a member. Burial at Glen Abbey followed.

He had a sole survivor, a daughter, Mrs. Marion Defratis of Phoenix.

**Hoop Tickets Sales Cut  
At Helix High School**

Administration personnel at Mt. Helix high school have announced tickets for the school's basketball games played at night will no longer be sold at the door at gametime. Night game tickets, hereafter, will be sold only at the school's Associated Student Body office.

Afternoon game tickets, however, can still be purchased at the door at gametime.

**INCOME  
TAX FAX**

This series, dealing with income tax problems, was compiled by the Society of California Accountants and will appear in this newspaper until April 15, deadline for filing income tax returns. It is presented as a public service to readers by the Society of California Accountants and this newspaper.

How many exemptions can I claim? Each exemption is a \$600 deduction. That is, for each exemption you are allowed to make \$600 tax-free.

Exemptions determine the amount of tax-free income you are allowed each year and are devised to make the tax fair between single persons, married couples, and large and small families.

You are entitled to one exemption for yourself. You are entitled to one additional exemption if, on December 31, 1958, you had attained 65 years of age, or if you were blind.

If you were both 65 and blind, you are entitled to two additional exemptions. You are also entitled to exemptions on the same basis for your wife, if you file a joint return.

If you file a separate return, you claim your wife's exemptions only if she has no income and was not claimed on any other taxpayer's return for 1958.

If your wife or husband died in 1958, the additional exemptions for age and blindness are determined as at the date of death, rather than December 31.

You are entitled to one exemption for each dependent. Additional exemptions for old age and blindness apply only to you and your wife or husband, not to dependents.

**FIVE QUALIFICATIONS**  
Each dependent must qualify under all five of the following conditions:

1. Dependent must have received over one-half of his support from you in 1958.

2. Dependent did not have over \$600 income in 1958, besides what you provided, unless the dependent was your child or stepchild under 19 years of age, or if over 19 years of age, a full time student, in which case the dependent child can earn any amount as long as you actually provide over one-half of the cost of support.

3. Dependent is not claimed by any other taxpayer and does not file a joint return with another taxpayer. For instance, do not list a dependent married daughter who files a joint return with her husband.

4. Dependent must be a citizen of the United States or a resident of the United States, Canada, Mexico, The Republic of Panama or the Canal Zone.

5. Dependent must be closely related to you or be anyone else who meets requirements 1, 2, 3 and 4 above and had your home as his principal place of abode and was a member of your household.

**INTERMEDIATE SCHOOL  
EXECUTIVE BOARD TO MEET**

The Lemon Grove Jr. high school will hold its Executive Board meeting on Tuesday, in the Homemaking room of the school. Mrs. R. C. Alexander will preside at the meeting at 7:30. Hostesses for the meeting will be Mrs. J. M. Prince, and Mrs. L. A. Dobis.

**STUDENTS EXEMPTED**

If the dependent has worked part time and earned less than \$600 in 1958 or was your child under 19 or over 19 and a student, and income tax was withheld from such earnings, the dependent should file a tax return to secure refund of the tax withheld.

This will in no way prevent you from also claiming the exemption for the dependent, provided, of course, that dependent meets all five of the above conditions.

If your dependent can qualify in all other ways except that you do not furnish over one-half of his support then perhaps you can arrange with the others who contribute to his support for you to claim the credit anyway under a multiple support agreement — form 2120.

**Writers To Meet  
In La Mesa Library**

The La Mesa Writers' club will meet Saturday at 7:30 p.m. in the old library building in La Mesa. Each member is asked to bring a poem for criticism. Martha Garvin will help evaluate the poems and talk on poetry.

**Burial Insurance  
For Ages 1 to 80**

Persons ages 1 to 80 years are now eligible to register under a plan of burial insurance. Costs only a few cents a day. In time of need, regardless of how little has been paid, the plan pays the funeral bill. For example, a complete funeral was paid for recently when only \$4.58 had been paid. Issued by an admitted legal reserve insurer. Good at any funeral director in the United States or Canada. For free information without cost or obligation write to—

# 10<sup>th</sup> ANNUAL JANUARY SALE!

**Month-Long January Food Event . . . Every Department Included:**  
Each week during this event Food Basket will bring you a different list of specials from every department. This week you'll find it more than worth your while to fill your freezer with the fine specials on frozen foods . . . and fresh eastern, corn-fed pork loins from Nebraska! In frozen foods, you will find all famous brands you know and trust . . . such as Birds Eye, Swanson, Treesweet, Dole,

Gorton, Kold Kist, Welch, Simple Simon, Morton, Star Kist . . . and many others . . . all kept perfectly frozen under scientifically temperature-controlled conditions. If you've never attended a Food Basket January Sale, you're missing real fun . . . and savings. Look for the list of different specials each week . . . and take advantage of every one! Savings are fabulous . . . no limits on purchases. Listed here are some of this week's specials . . . many more at our store!
